

CLUB CAMPESTRE SAN JOSE

Tucked in the rolling foothills of the Sierra de la Laguna Mountains, only 15 minutes from Los Cabos International Airport and just five minutes from downtown San Jose del Cabo, the Nicklaus Design golf course at Club Campestre is the centerpiece of a 550-acre master-planned community.

The layout's verdant fairways, chiseled into sloping desert terrain, offer players fine views of the Sea of Cortes. Vast sandy waste areas, big flashed-face bunkers and sinuous arroyos snaking across the fairways call for careful course management. The true character of the golf course lies in Campestre's undulating, multi-tiered greens, which are among the most liberally contoured putting surfaces in Los Cabos.

Among the feature holes on this beautifully maintained facility, surfaced from tee to green in emerald-green paspalum, is the risk-reward par-5 7th hole, a double-dogleg that plays to a well-bunkered peninsula green, seemingly floating in temptation.

Campestre's picturesque back nine ascends to higher ground, circulating players around a rolling desert plateau high above the sea. The par-3 11th, stretching to 216 yards, plays to a large green with false fronts on all sides that shrugs off indifferent tee shots.

At the par-5 13th hole, a trio of cross bunkers defends the landing area, forcing players to either lay up, or carry the ball 235 yards to clear the hazards. The par-5 17th hole, at 606 yards the longest hole on the course, brings a deep pot bunker in the center of the fairway into play, with a broad arroyo angled in front of the elevated green.

Campestre's par-4 18th hole, which drops to a dished-out fairway bisected by a long, multi-lobed waste bunker, plays to a well-defended green backdropped by the sparkling Sea of Cortes.

Always in top condition, Campestre is a local favorite and represents the best value in Los Cabos.
